

## AMERICANS QUIT MEXICAN CAPITAL

Special Trains Carry Refugees  
to Vera Cruz—Foreign  
Office Courteous.

MEXICO CITY, June 21.—Many Americans left Mexico City Tuesday morning in special cars for Vera Cruz. Calls have been sent to Guadalajara, Guanajuato, Puebla and other cities requesting Americans to come to the capital for the purpose of taking trains for Vera Cruz or to reach other coast ports directly, if that be possible.

The Mexican foreign office Tuesday again gave assurances that no obstacles would be put in the way of Americans desiring to leave the country. Americans have been treated with courtesy by the officials having to do with the transportation system, but the shortage of rolling stock is making difficult the carrying of those who desire to leave.

James Linn Rodgers, the representative of the United States government before the de facto government in Mexico, met a committee of Americans Tuesday and outlined arrangements for obtaining sufficient cars to accommodate them. The Pachuca mining companies have offered a special train of 11 box cars and cabooses, and if the government officials will permit this run a great majority of the American colony here will leave for Vera Cruz Wednesday.

## FEARING SUSPICION ATTORNEY KILLS SELF

Alabama Lawyer in Note Says He  
Was Connected With Murder  
of Judge.

HUNTSVILLE, Ala., June 21.—H. S. Pleasant, an attorney of state-wide reputation, shot and killed himself here Tuesday, leaving a note saying the act was caused by suspicion directed against him in connection with the murder here last week of Probate Judge W. T. Lawler. The suicide became known shortly before it was learned that Charles M. Nails, clerk of the Madison county circuit court, had surrendered on a warrant charging him with complicity in the murder of the probate judge. D. D. Overton, Judge Lawler's opponent in a recent primary, who also is sought in connection with the murder, had not been found late Tuesday. Two Negroes were arrested Tuesday as witnesses. Acting Solicitor Tate declared Tuesday night that at no time had there been any suspicion that Pleasant was connected with the murder. State troops have been on guard

## Troops in Danger as Wilson Refuses Withdrawal

It is believed that a clash between American troops and Carranza's soldiers in Mexico is drawing nearer. The refusal of Pres't Wilson to accede to Carranza's request for the withdrawal of American troops has created much hostile sentiment below the border and the punitive expedition under Gen. Pershing is liable to be attacked at any moment. For some time large bodies of Carranzista soldiers have menaced the American bases and lines of communication.

here since the finding of Judge Lawler's body in the Tennessee river Saturday.

## YOUTH OF 17 ENLISTS

PITTSBURGH, June 21.—Among the young men enlisted at the navy recruiting office here Tuesday was Richard E. De Lowry, the 17 year old brother of Francis De Lowry, who was killed when Vera Cruz was occupied by American forces in April, 1914.

## Two More U.S. Cruisers Sail

SAN DIEGO, Calif., June 21.—The United States cruisers Pittsburgh and Colorado sailed from here Tuesday night to join other units of the Pacific fleet along the west Mexican coast. Rear Admiral William F. Fullam, commander in chief of the Pacific reserve fleet, was aboard
